

Cyclone 2

Eye-catching, stable and stylish.

Patent No. 2464696

- Double sided 40" x 60" poster display.
- Front opening 50mm wide white Frameworkz snapframe border, excluding quadrant corner mouldings, can be printed in any design* or is suitable for vinyl text or logos.
- Back panel can be printed to offer brand presence when posters are not in use (no minimum order quantity).
- 700 micron clear PET poster covers, fixed along top edge for security and ease of poster change.
- Black steel cradle with hard wearing pivot axles.
- Water-fillable black HDPE base with built-in wheels for ease of movement.
- Round corners throughout for safety.
- Purpose designed trolley and filling hose available.

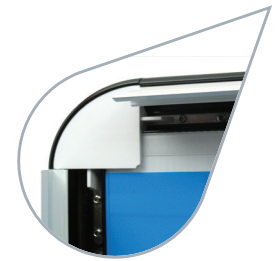

*No minimum order quantity.

Fully recyclable lighter-weight water-fillable base option. Contact us for more details.

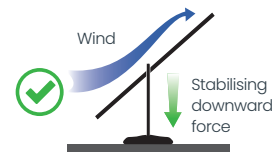

Hard wearing pivots for friction-free wind movement.

Snapframes for quick and easy poster change.

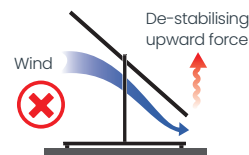

Cyclone 2's unique counter-balanced panel deflects wind safely and creates interest through movement.
