

# Premium Glassboards

**Our premium range of glassboards are manufactured in the UK to a high standard and available in any RAL colour**

- 4mm low iron toughened glass to EN12150 Class 1 with all edges polished.
- Available in a magnetic finish in any RAL colour
- Clear finish available in non-magnetic only
- Vinyl protective backing
- Magnetic glassboards have 0.9mm zintec backing
- Only use magnetic accessories that are suitably strong and advertised as for use with glass wipe boards. Normal strength magnetic accessories won't work through the thickness of the glass.
- Printed options available
- Stand off fixing – 25mm x 25mm satin finish aluminium or Invisible fixing – aluminium split batten fixing. Please specify at the time of ordering
- It is the customer's responsibility to understand how they wish to fix these boards. If in doubt, please seek clarification at the time of order.
